

EGS International Ltd are recruiting a HSEQ Manager

Location: Bordon, Hampshire

Position: Full time, Permanent

Salary: Dependant on experience

An experienced HSEQ Manager is required to join the EGS International team. Reporting to the Managing Directors, you will be responsible for providing HSEQ support and advice across the business. You should be fully conversant with ISO9001, ISO14001, ISO45001 auditing standards and have demonstrable experience in an HSE role.

Responsibilities for this role will include:

- Manage and maintain the HSE and Quality Management Systems
- Produce HSEQ documentation, risk assessments for office, site and safety files
- Delivery of training and advisory sessions to personnel and contractors when required.
- Office and site induction
- Reporting, analysis/examination and follow up all HSEQ incidents
- Preparation of HSEQ documentation for inclusion in PQQ's and Tenders
- Act as Management Representative and competent person for ISO 9001, ISO 14001 and ISO45001

You will be primarily office based (though some site work will be required), with the ability to work well under pressure and in a team environment.

Desired skills, knowledge and experience:

- CMIOSH/NEBOSH or similar qualifications.
- Minimum 5 years of experience in a Senior or similar reporting position
- Well organised and self-motivated, ability to work within high pressure situations and to tight delivery deadlines
- Proficient user of Microsoft Office
- Ability to ensure consistent in-house document style/format is maintained

You must live or be willing to relocate to a commutable distance of the EGS office in Bordon, Hampshire
