

QUALITY POLICY

EGSi provides high quality measurement services based on efficient and cost effective geophysical, hydrographic, oceanographic and other maritime survey services. The company's goal is to provide surveys, to the highest standards, while meeting the requirements and exceeding the expectations of our clients. To achieve this goal, we are committed to implementing, maintaining and continually assessing operational systems and processes.

EGSi firmly believes in the concept of customer and supplier working together in pursuit of fulfilment of this policy and continually striving for improvements in service quality.

The Quality Policy is based on 3 fundamental principles:

1. Ensuring that we fully identify and conform to the needs of our customers.
2. Looking at our service provision processes, identifying the potential for errors and taking the necessary actions to eliminate them.
3. Everyone at EGSi understanding how to do their job and doing it right first time.

The management team is committed to:

- Maintaining the Quality Policy and the Management System.
- Communicating throughout the organisation the importance of meeting customer needs and all relevant statutory and regulatory requirements
- Ensuring that the regular Management Review Meetings review the company objectives
- Ensuring the internal audit findings are used to monitor and measure the performance and the effectiveness of our Management Systems
- Ensuring the availability of resources

EGSI'S POLICY

- EGSi will comply with all relevant statutory and regulatory requirements
- Ensuring the structure of our management system meets the requirements of BS ENISO 9001:2015 requirements
- All personnel are aware of the requirements of this Policy Statement and co-operate with the requirements of the management system
- A designated Manager will ensure the management system effectiveness on behalf of the Board of Directors
- EGSi will continually monitor its performance and implement improvements when appropriate

Copies of this Policy Statement are made available to all employees. Copies of the minutes of Management Review Meetings with assigned actions will be issued to key managers for close-out. HSEQ Manager will issue minutes to both Project Managers, Survey Manager and Party Chiefs as a means of communicating the effectiveness of the management system as appropriate.

EGSi is compliant with the requirements of ISO 9001:2015 and will ensure that it continues to comply with the standard.
